Please Note

While the greatest care has been taken to offer the finest services available, Regent Seven Seas Cruises will not be held responsible for any act, event or omission during the time that passengers are not onboard the ship or its tenders. All arrangements for certain optional off-board activities, including air transportation, hotel accommodation, ground transfers and shore excursions are made by Regent Seven Seas Cruises for the convenience of our Guests with the suppliers of the services. Each Guest agrees not to hold Regent Seven Seas Cruises, its owners, employees, agents or representatives liable, the absence of its own negligence, for any loss, injury, expense, or damage which result directly or indirectly from any act or omission, whether negligent or otherwise, of any person or firm which provides any goods or services in connection with any optional travel component other than water transportation or any other option that is available for purchase.

Arrangements with independent contractors include, but are not limited, to services, products, and transportation provided elsewhere that onboard Regent Seven Seas Cruises vessels in connection with tours whether arranged or organized by tour operators, travel agents, or Regent Seven Seas Cruises. Tours including hotel accommodations and transportation by vessel(s) not owned or operated by Regent Seven Seas Cruises or by air, rail, or land are not under the supervision and control of Regent Seven Seas Cruises.
