## AIR INFORMATION

---

Silversea offers the possibility to personalize your travel journey by booking flights for any voyage during your reservation process through Silversea.com, or via our dedicated Reservation Team.

If you have purchased the flights through Silversea, we kindly ask you to check your airline schedule and ticket names upon receipt to ensure all information is correct. We recommend contacting the airline 72 hours before departure to confirm flight times and check in 24 hours prior to your flight.

Please note: Once tickets are issued, changes may incur additional fees or require purchasing new tickets at your own expense. For seat preferences, contact your travel advisor or the airline directly. Any fees for advance seat selection are the responsibility of the guest. Silversea cannot guarantee specific seat assignments. If you have any dietary restrictions or require a special meal, please be sure to advise the airline, or Silversea, at least 48 hours prior to your scheduled flight departure.

If you have purchased flights and transfers independently, you should allow a minimum of four hours between the ship's arrival/departure time and your flight arrival/departure time. (There are exceptions, please contact your travel advisor or Silversea.) This will allow for unexpected delays including, but not limited to, disembarkation formalities, transfer time to/from the airport, two to three hours for flight check-in, customs/immigration formalities, unanticipated scheduled air or charter flight delays, and baggage claim/transfer.

Guests requiring wheelchair assistance should notify Silversea in advance to ensure appropriate transportation and/or accommodation arrangements are made.

## PRIVATE EXECUTIVE TRANSFERS

---

Door-to-Door reservations made prior to September 11, 2025 include chauffeured transportation operated by Blacklane from guests' home to the departure airport and return service at the end of their vacation. These services are provided by Blacklane, not Silversea.

Guests must complete their transfer bookings and agree to Blacklane's terms and conditions at [www.blacklane.com](http://www.blacklane.com) or via their mobile app. Silversea covers the cost of a pre-determined distance of up to 50 miles for these transfers. If the trip exceeds this mileage, guests can pay directly for the additional miles (costs vary and cannot be quoted in advance).

## *Prior to your voyage — continued*

Blacklane typically offers the possibility to book a ride approximately 300 days in advance. Guests should plan their pickups based on their flight schedules. Silversea is not responsible for delays that could cause guests to miss their flights or cruises. Guests who opt not to use these services can request a non-use credit of 100 USD / €85EUR / £75BPS / 125 CAD / \$125 AUD per person through their travel agent. Blacklane's executive transfer service may not be available in all cities. Please visit [Blacklane.com](https://www.blacklane.com) for coverage details.

For bookings made on or after September 11, 2025, guests will have the option to independently purchase and coordinate their preferred transportation between their airport and their home, separate from Blacklane, providing greater flexibility and choice.

### **HOTEL AND GROUP TRANSFERS**

---

Our all-inclusive Door-to-door fare may include a pre or post-cruise hotel night depending on Silversea's air programme flight schedule and group transfers between airport, hotel and pier.

Additionally, Silversea offers optional pre- and post-hotel and transfer arrangements. Please contact Silversea or your travel agent for availability and details.

If you purchased transfers directly with Silversea, you must provide your flight schedule at least 21 days in advance to ensure proper transfer arrangements.

### **CUSTOMS**

---

Before departing, please consider registering your valuables (e.g. jewellery, cameras, electronic equipment, etc.) with U.S. customs. Although this is not a requirement, it will help to prevent delays in clearing customs upon your return to the U.S. For further information, please consult your travel agent or visit the U.S. Customs Services' website at [www.cbp.gov](https://www.cbp.gov) and click on "Travel". If you are not a U.S. resident, contact your local customs office.

### **EMBARKATION**

---

Embarkation times, port location and terminal name are included in your final voyage documents. Kindly ensure you have updated all your passport information in your MySilversea account. For customs and immigration purposes, you are required to be onboard at least 90 minutes before the ship's departure to meet governmental clearance requirements. Guests arriving too close to the ship's departure could be denied boarding. Once you arrive at the terminal, you will need to show your Silversea voyage documents and your passport. We strongly recommend you keep all necessary documents at hand in your carry-on bag.

### **MEDICAL INFORMATION**

---

#### **SPECIAL ASSISTANCE**

Please note that you are required to complete the special assistance questionnaire found in My Silversea, Guest information Form, Special requests Tab at [Silversea.com](https://www.silversea.com).

#### **HEALTH QUESTIONNAIRE**

During the boarding process, you will be asked to complete a health acknowledgment form.

#### **INOCULATIONS**

Generally, inoculations are not required in most areas where Silversea travels. However, any requirements that may apply are subject to change so we recommend you verify current guidelines with your travel agent before departure. Please note that when travelling to countries which do require vaccinations, written verification will be needed. Before taking any trip overseas, it is wise to check with your doctor, especially if you are under a doctor's care.

#### **PREGNANCY**

Silversea's policy regarding pregnancy is derived from the Cruise Lines International Association endorsement of the American College of Emergency Physicians Health Care Guidelines for Cruise Ship Medical Facilities. This includes the guideline that "pregnant women who have entered the 24th week of pregnancy at any time during the voyage should not be eligible to sail on the ship". It is Silversea's policy that any guest who has entered her 24th week of pregnancy or above, at any time during the voyage, will be prohibited from sailing. The guest and treating doctor should consider before any sailing that there is no obstetrician/gynecologist available on the ship and those pregnancies, when unstable and poorly controlled, are potentially life-threatening, especially without backup.

Please note that during our sailings, pregnant guests may be at sea for several days without any immediate hospital and/or specialised backup. Pregnant guests must please note that if the proposed itinerary is not within the U.S., the availability of specialised shoreside facilities can be problematic. All guests are required to sign a health questionnaire at check-in to ensure they are aware of our pregnancy policy. If you have already booked a cruise or cruise tour and do not meet this requirement, please contact your travel agent or airline.

#### **PRESCRIPTION MEDICATION**

For your convenience and wellbeing, you must bring a sufficient supply of any prescription medicine you may need. Prescriptions cannot be refilled onboard, and usually cannot be refilled overseas. To prevent delays in clearing customs, it is also a good idea to travel with a doctor's letter explaining your prescription medication is required for your continued health.

## *Prior to your voyage — continued*

It is also recommended that the medicine remains in its original container with the original pharmacy label intact.

### **SPECIAL MEDICAL CONDITIONS**

At Silversea, your health and safety are our priority. If you have any existing medical conditions that may require our attention, or should you need oxygen for medical reasons while onboard, we kindly ask you to send us a written notification before your voyage to Silversea Special Services, 333 SE 2nd Avenue, Suite 2600, Miami, FL 33131 or by fax to + 1 954-759-5049.

Please note that an oxygen concentrator is the only form of oxygen equipment that Silversea ships can accommodate. Guests wishing to bring their portable oxygen tanks must obtain prior written authorisation from Silversea, as restrictions may apply.

### **GUESTS WITH REDUCED MOBILITY**

Guests who rely upon wheelchairs must bring their collapsible wheelchair. Silversea strongly recommends wheelchair guests to travel with someone who is able to assist them both ashore and at sea, as Silversea is unable to offer special assistance at all times. Silversea does not offer full-time wheelchair service and/or staff fully dedicated to providing guests with wheelchair assistance.

Please note that not all shore excursions are suitable for guests with impaired mobility.

Guests requiring wheel-on and/or wheel-off access must contact Silversea before making a booking. Please note that wheel-on and/or wheel-off access may not be available at some ports of call. Silversea reserves the right to deny boarding to any guest who failed to notify Silversea of such requirement at the time of booking.

By booking passage and by boarding the ship, you represent and warrant you are physically and otherwise fit to travel, and you will comply at all times with applicable rules and regulations of the ship, and the orders and instructions of the ship's officers and medical staff.

Silversea reserves the right without liability to require a guest to disembark and/or to refuse to board and transport a guest who, in the judgment of Silversea or the ship's Master, is unfit to travel or may require care beyond that which Silversea is reasonably able to provide.

### **STAFF AND TRAVEL COMPANIONS**

Silversea is pleased to offer unmatched service at sea while offering reasonable assistance to guests who may require additional assistance during their voyage. Please note, however, that we are unable to provide staff fully dedicated to providing guests with wheelchair assistance. Guests requiring full-time assistance will need to travel with a travel companion who will assist them.

### **WHEELCHAIR AVAILABILITY AND ACCESS**

Silversea visits ports around the world, including some of the most remote locations available for cruise ships, which significantly vary their ability to accommodate guests with disabilities including those in wheelchairs. Silversea will attempt to arrange alternative transportation for guests with limited mobility to access port facilities, where available. In each case, the Master of the vessel make a final determination for all concerned guests regarding the advisability of providing such assistance or disembarking guests or mobility equipment taking into account all appropriate factors, including the port's conditions, weather conditions, security conditions, and the equipment to be disembarked.

### **TENDERING**

Many ports of call require guests on the vessels to go to shore by tender craft. If you choose to participate in an excursion which includes tendering, you must be able to negotiate narrow stairs to enter and exit the tenders with limited assistance. When the vessel is required to tender guests, the vessel will not be moored, and a gangway will not be available. During tendering, Silversea is unable to transport wheelchairs or mobility scooters with guests.

# What to pack

## PACKING ESSENTIALS

---

### ONBOARD DRESS CODE

Silversea operates an onboard dress code after 6 pm.

During the day, casual wear, similar to five-star resort sportswear, is suitable for daytime activities. It is recommended to wear flat or low-heeled shoes for deck activities.

Evening wear falls into two categories:

- **Elegant Casual:** On casual evenings, ladies may opt for trousers, blouses, skirts, or casual dresses, while gentlemen can wear open-collar shirts and slacks. A jacket is optional.
- **Formal Optional:** Guests may choose a more formal attire, such as an evening gown or cocktail dress for ladies and a tuxedo, dinner jacket, or dark suit with a tie for gentlemen. Alternatively, guests are welcome to adhere to the Elegant Casual dress code, except that gentlemen must wear a jacket in all indoor spaces.

Regardless of the daily dress code:

- After 6 pm, indoor spaces prohibit jeans, shorts, sneakers, or flip-flop-type footwear.
- Casual wear is always suitable in outdoor venues.
- Gentlemen dining at La Dame restaurants are required to wear a jacket.

The number of formal evenings depends on the length of the voyage. A guideline for reference is below:

- On sailings of 7 days or fewer, Elegant Casual nights throughout.
- On sailings of 8-14 days, expect between 1 to 2 Formal Optional nights.
- On sailings of 15 days or more, expect 2 or more Formal Optional nights.

### OTHER ITEMS TO PACK

The Boutique onboard is stocked with some toiletries as well as a few other essential items. However, we do suggest you pack a supply of essential items, since toiletries are often expensive overseas and sometimes unavailable. Also, be sure to pack an ample supply of film/memory cards and batteries for your camera, chargers and cables for all electronic devices you bring, over-the-counter medications and prescription drugs.

## PROHIBITED ITEMS

---

Guests may bring aboard the luxury cruise ship a reasonable amount of clothing and personal effects without charge.

Upon embarkation, our teams will perform security screenings during which we inspect guests belongings and may remove prohibited items outside of the guest's presence. Prohibited items may be confiscated and returned on the last day of the voyage prior to disembarkation.

Such items include:

Exceptions include curling irons, hair straighteners, matches and normal lighter. However, "torch lighters" that emit a powerful concentrated flame, and novelty lighters that look like guns, are not allowed

- Perishable food and meat products
- Drones, including toy flying device

## LUGGAGE ALLOWANCE

---

When packing for your cruise, you should consult the luggage allowance guidelines of your airline(s), airport, and/or class of service. Airlines are strictly enforcing these policies, and you may be required to pay additional charges at check-in if your luggage exceeds the weight, size, or number of pieces allowed. Many airlines limit each piece of luggage to 23 kg (50 lbs) or less.

Since airline policies frequently change, we strongly recommend that you or your travel agent contact the airline(s) directly for the most up-to-date baggage allowance policies and weight/size restrictions. These details are regularly updated on most airline websites.

Please note that you are fully responsible for any luggage fees imposed by the airline(s) upon check-in. Silversea is not liable for any costs associated with checked or carry-on luggage, or for items confiscated

at security checkpoints.

In accordance with airport security regulations, we recommend carrying travel documents (passports, visas, vaccination verification, voyage and air tickets), medications, and valuables in your hand luggage. Liquids, fragile, perishable, or otherwise unsuitable items are transported at your own risk.

Additionally, transfers, land programs, and charter flights booked via Silversea may have further baggage limitations. Your final travel documents will include specific details of these restrictions, if applicable.

While every effort is made to deliver luggage to your suite upon embarkation, delays may occur due to customs procedures beyond the ship's control.

---

## TRAVEL DOCUMENTS

---

To ensure your journey runs smoothly, please remember to bring all required travel documents. These include air and voyage tickets, passport, visa and, if required, medical card inoculation verification. Please be aware that security measures imposed by overseas governments may change from time to time. It is your responsibility to secure all relevant documentation for your trip. If any guest fails to obtain and to have such documents readily available, that guest may be denied boarding and accommodation, or they may be disembarked during the voyage.

*Note: Your passport must be valid for six months following your return date.*

We require all guests to provide us with the above-mentioned documentation in order to board our vessels. Should you have any questions regarding travel documents, please consult your travel agent for advice.

# While onboard

## COMMUNICATION AT SEA

---

Communication via satellite onboard is a significantly different experience compared to high-speed connections onshore.

The signal travels in a similarly manner to radio waves but at much greater distances. That is why onboard internet access can be inconsistent and cannot be guaranteed at all times. Satellite communications can be affected by weather and the ship's location. As such, there may be temporary outages of any satellite-provided service, including internet, mobile phones, in-suite phones, television broadcast channels and world news summaries.

Considering these limitations, internet access is best used for email communication and web browsing. Certain websites and services may be restricted due to limited bandwidth. Certain online activities require high bandwidth and would be more frustrating than enjoyable.

## INTERNET ACCESS

All guests will be granted complimentary, unlimited standard Wi-Fi for one device at a time. Guests sailing in an Owner's, Grand, Royal or Silver suite will receive complimentary unlimited premium Wi-Fi for one device at a time. Standard Wi-Fi is provided at regular satellite speed – ideal for emailing, web surfing, chat or similar. It is not suitable for video, audio calls, or streaming. Premium Wi-Fi access is suitable for all kinds of applications, including video and audio call and streaming.

Premium Wi-Fi is available at an additional charge and will provide access for up to four devices simultaneously. You may use your own laptop to conveniently access the wireless internet and personal email services from the privacy of your own suite, and throughout the ship.

## MOBILE PHONE AND DATA SERVICES

You can send and receive phone calls, text messages and other select data services on your smartphone or device while onboard. You will be billed by your home mobile phone provider; calls, text messages and data will appear as roaming charges on your bill. Before leaving home, you should contact your provider to confirm a roaming agreement and the applicable rates. Each suite is equipped with an in-suite telephone system that allows you to make direct-dial phone calls from your suite while at sea. Calls will be billed to your onboard account. Please consult the ship's Reception Desk for the current rate, which (at time of printing) is USD 5 per minute.

The ship's Internet service is a very reasonably priced alternative to phoning. Should someone wish to reach you while you are at sea, please refer to the "Leave Behind Information" provided in the final voyage documents.

## PRESSREADER

It is recommended that you download the **PressReader application** before joining the ship to enjoy a variety of complimentary newspapers from around the world once onboard, directly from your iPad/iPhone or Android device. The application is free to download from the Apple App Store and Google Play Store. Once onboard, visit the Silversea Portal page then follow the PressReader link to connect and enjoy a worldwide selection of newspapers from our offline library.

## ELECTRICAL APPLIANCES

---

For your convenience, 110-volt (U.S. current) and 220-volt (European current) outlets are provided in your suite, accommodating small appliances without the use of adapters or electric converters. USB-A sockets are available in all suites. A hairdryer is provided in each suite. Irons are available in the launderette for your convenience.

It is recommended that you pack an international adaptor.

## TV

In-suite television programming is also available 24 hours a day offering movie channels and news channels such as CNN, BBC World, Fox News and ESPN. All TV channels depend on satellite reception and are subject to change. On your TV you will also find information such as menu previews, onboard activities and details about our ports of call.

## ALL-INCLUSIVE

---

Onboard our ships, you will enjoy 24-hour gourmet dining, in-suite dining, butler service, superb entertainment and one complimentary shore excursion every day.

A selection of soft drinks, water, wines, spirits, and Champagne are complimentary throughout the ship. Your in-suite refrigerator and bar will be replenished upon request with your preferences. (A selection of premium wines, Champagnes and spirits are available at an additional charge.)

## *While onboard — continued*

With options from small groups to private tours, our excursions are tailored to match your personal travel style with safety and reliability guaranteed. Our operators are fully vetted, insured, and among the best available in each port. In the unlikely event of any issues, we will assume responsibility, and the ship will wait for delayed excursions, providing you with a worry-free experience.

### **RESERVATION**

You can book your Shore Excursions as soon as you have purchased your cruise. Please note that some tours may require a minimum number of participants or have limited availability. To secure your preferred options, we recommend booking early through MySilversea. Shore Excursions can be booked up to two days prior to sailing.

In the event that your Shore Excursions reservation is waitlisted, our goal is to help every guest make the most of their time ashore. Our Destination Experiences team works closely with local providers to accommodate all reservations. Some tours have limited availability, and while we cannot always guarantee participation, we will do our best to confirm your booking. Waitlists are managed by the Destination Experiences team prior to the sail date and by the Shore Concierge team onboard, in the order requests are received.

### **FINANCIAL MATTERS**

---

#### **CARRYING MONEY**

Silversea does not limit the amount of money you may carry during your voyage. For safety reasons, we recommend you take precautions and do not carry excessive amounts of cash. Many purchases can be conveniently made using credit cards or travellers cheques and do not require cash transactions. Silversea is not responsible for any loss of money.

#### **CURRENCY EXCHANGE**

It is a good idea to exchange some money at a bank before leaving home. Most international airports also offer currency exchange though they often charge higher fees than banks. We do not provide currency exchange onboard at all. The only currency the ships carry onboard is U.S. dollars. A 2% transaction fee will be charged for all cash advances or cash out of U.S. dollar traveller's cheques. Cash-outs are limited to USD 200 USD per day/ maximum of USD 1,000 per voyage due to limited funds carried onboard.

#### **MAKING PURCHASES ABROAD**

If you plan to make any major purchases abroad, we recommend that you use your credit card ashore wherever it is accepted. This will often ensure you receive a better exchange rate than what is offered locally.

#### **YOUR SHIPBOARD ACCOUNT**

Upon embarkation, you will be asked to register your VISA®, Master Card® or American Express® credit card number and expiration date, which must be valid through the final day of your voyage. All charges for services provided and products purchased onboard must be settled in cash (U.S. dollars), by U.S. dollars traveller's cheques or above listed credit

cards before final disembarkation from the ship. Foreign transaction fees are possible. Authorisation holds may be made on credit card purchases.

### **TRAVELLER'S CHEQUES**

Traveller's cheques in U.S. dollars may be used to pay your shipboard account.

### **OTHER POLICIES**

---

#### **ITINERARY VARIATIONS**

It is our goal to follow our ship's schedule and itinerary as planned. However, conditions beyond the control of Silversea, such as weather, may occasionally make it necessary to alter an itinerary. You will be notified of any required deviation as soon as possible.

#### **PETS**

We are unable to accommodate pets of any kind on any Silversea voyage.

#### **DRONE POLICIES**

Please note that due to the varied port authority laws concerning drone usage, and in the interest of passenger safety and ship security, Silversea prohibits the use of all aerial drones.

### **SAFETY PRECAUTIONS AND PROCEDURES**

It is mandatory that all guests participate in a safety drill, which is normally scheduled to take place before departure from the port of embarkation. Please note that emergency information is posted in your suite.

### **SMOKING**

With Silversea, the comfort, enjoyment and safety of all guests is paramount. To ensure a pleasant and safe environment, smoking is prohibited in most public areas, guest suites and suite balconies.

However, cigarette, e-cigarette, cigar, pipe and vaporiser smoking is permitted in the Connoisseur's Corner both indoors and outdoors. In addition, cigarette, e-cigarette and vaporiser smoking is permitted in specifically designated outside areas and tables at starboard side of the Panorama Lounge and at the port side of the Pool Grill.

Silversea kindly requests that all guests observe the non-smoking areas.

### **VISITORS ONBOARD**

If you would like to make arrangements for visitors to board the vessel, please have your travel agent contact Silversea Special Services. Requests should be made in writing no later than 14 days before departure.

Silversea may limit the number of visitors permitted onboard or not allow visitors in certain destinations.

### **VALUABLES**

---

Your suite is equipped with a personal safe, located inside your walk-in wardrobe. Please take great care with your money, jewellery, cameras, binoculars, documents and any other articles that you retain in your personal control or keep in your suite, as Silversea is not responsible for damage to, or loss of, these items.

---

U.S. customs will permit each traveller to return to the United States with no more than USD 800 worth of merchandise purchased abroad without paying duty. You will be charged a 10% duty for the next USD 1,000 worth of purchases, and on purchased items that total more than USD 1,400, you will be assessed an additional rate based on the retail value from the country of origin. Limits on tobacco and liquor are as follows: 100 cigars or 200 cigarettes and one litre of wine, beer or liquor.
