The museums contain some of the world's greatest paintings and sculptures, including works by Leonardo da Vinci, Raphael, and Caravaggio. Besides seeing the most well-known exhibits like the **Sistine Chapel**, you will also visit areas usually closed to the public, including the **tomb of Pope Pius XII and either the Niccoline Chapel**, which features the lives of St. Lawrence and St. Stephen, or the **Bramante Staircase**, a Renaissance masterpiece featuring a distinctive double-helix design.

Tuesday, July 13, 2027 | Tivoli & Villa D'Este

Following an included breakfast at the hotel, drive from Rome toward **Tivoli**. Tivoli is a small town on the lower slopes of the Apennines where the river Aniene cascades into the Roman plain. The villas testify to Tivoli's importance as a holiday resort from the Roman period through the Renaissance. Tivoli, or Tibur in antiquity, came under Roman control in the 4th Century BC, and it was there that a Sibyl prophesied the coming of Jesus Christ to the Emperor Augustus.

Visit **Villa D'Este**, a masterpiece of the Italian Garden and included in the UNESCO world heritage list. With its impressive concentration of fountains, nymphs, grottoes, plays of water, and music, it constitutes a much-copied model for European gardens in the mannerist and baroque styles.

After the guided visit, enjoy **free time to wander through the colorful open-air market** selling souvenirs and local products, then **enjoy an included lunch in a beautiful restaurant** overlooking the beautiful Villa Gregoriana.

Return to the hotel with the remainder of the day and dinner on your own.

Note: Villa d'Este Gardens are not accessible for wheelchairs or scooters. Only the first floor will be accessible in the Villa. The restaurant in Tivoli has approximately 40 steps to enter without an elevator.
